Re: 11-cr-623

Dear Judge

Attached with this letter you will find 1 cones  
copy of my Attorney's mail, dated March 6, 2014.

Due to the fact, I couldn't afford an attorney I really  
appreciated the Gov. constitution and your help  
for providing me with a defense attorney.  
As you know I'm not a man of law and it is  
harder for me to understand the law. As result, I  
put all my trust on the attorneys, I listened and  
did what they told me to do. However, now I find  
out they weren't on my best interest.

I understand it is a big burden for them to defend  
a terrorism case and some even they might not like it.  
How about on being on my best interest ???

Now, I would like to request you, kindly, if you could provide me with another defense attorney who would work with professionalism (making no mistake, knows what he is doing) and defending my best interest.

I apologize for taking your time in this matter. I look forward for your response.

Sincerely

~~Attorney~~
